Constitutieborrel

This particular edition of our monthly drinks is a little bit special because we will be hosting it for the first time as official board members of Etcetera. Hopefully student associations will join us later on in the evening but for our members we will start at 5 o'clock. Tomorrow, it is the 31st of October, a date of which we are sure that most of you associate with Halloween, a tradition in American culture. We hope that you will all celebrate this tradition with us and other fellow students at Café de Magere Brug tomorrow!

Algemene Ledenvergadering

On October 10, at our annual Algemene Ledenvergadering, the new board presented their plans to the members of Etcetera. These plans included our study trip to Dublin, the continuation of our monthly drinks at a new location: Café de Magere Brug. Our hopes of setting up an activities committee, for which you can still sign up, and the plans of organizing many more events like our first party Voetjes van de Fluor. With regards to the activities committee, we really need you to help us make this association as successful as possible! You can simply send us an email and we will let you know how you can help. Except for this being a lot of fun this will also look great on your resume!

Election Night USA

On the 6th of November, it is election night in America. The race between Governor Mitt Romney and President Barack Obama has been extremely close, and we are sure all of you have noticed. Because of our affinity with American culture, student association Machiavelli (political science) has invited us to their All American Night, to be held at CREA on the 7th of November from 20:00h onwards. For more information about the program, click [here](#). We would love to see you all there to discuss the results and the consequences those results will have.

Member Weekend

It is getting close to our annual Member Weekend in Lievelede. We have all of the spots filled except for one so if you were still in doubt: SIGN UP NOW! Send us an email and we will get back to you with the details. For the sweet price of 70 euros you get drinks, food, accommodation, fun activities and a great time with your fellow students!
